---

A few of us are planning to do some recon around Exide next Friday afternoon 2/8. I would like to see the proximity of the active landfill to commercial/residential areas and schools, location of the fixed air monitors, etc. We are not planning to go on site. Melissa took the IG on a similar tour last year and she can guide the tour. If you or your staff are interested in going please let me know. We have a vehicle that can handle 7-8. We will probably meet in Frisco around 1:00.
